Bradford County Housing Authority
Fiscal Year 2001 Annual Plan
Executive Summary

The Bradford County Housing Authority in implementing this second Annual PHA Plan will continue the ongoing effort to improve the quality of housing provided to lower income residents of the County and to improve our management operations. During the past 4 years the Authority has achieved High Performance Status through the HUD Public Housing Management Assessment Program. This was accomplished mainly because Authority Board, staff and tenants cooperated to make it happen.

Our Annual Plan for 2001 was developed after extensive consultation with Board, staff, local communities, tenants and the general public. In addition to a Public Hearing, meetings to discuss the plan were held at all 6 project sites. The newly formed Tenant Advisory Board also provided extensive input. This Tenant Advisory Board includes 3 Section 8 clients.

Highlights of the Plan included continued implementation of new Admission and Occupancy Policies for Public Housing, a new Section 8 Administrative Plan and the Annual Statement for the Capital Fund Program which will address critical building improvement needs at our projects. During this first Annual Plan year the Authority opened a new 30 unit elderly project in North Towanda, which has helped alleviate a housing shortage in this area.

BRADFORD COUNTY HOUSING AUTHORITY

ANNUAL AGENCY PLAN 2001

RESIDENT ASSESSMENT – FOLLOW UP PLAN

- (1) **REQUIREMENT:** Under the safety section of the REAC Customer Service and Satisfaction Survey conducted in 2000, a score of 67 was assigned by HUD. This required that the Housing Authority prepare a follow-up plan and include it as an attachment to the Annual Agency Plan to be submitted in April, 2001.
- (2) **ANALYSIS:** Question 12 in the survey scored a 16.8% rating from tenants and has a .25 weight which was primary reason for scoring 67 total in this section. This question asked tenants if they were aware of any crime prevention programs available to residents (for example, Neighborhood Watch, Block Watch or Street Patrol)? Most of the Bradford County Housing Authority residents have never heard of these programs since there has been no need for them in this rural low crime area. In the same REAC survey 84.1%% of the residents said that they feel safe in their homes.
- (3) **REMEDIAL PLAN:** As part of the development of the 2001 Annual Agency Plan, the Authority will meet with the County wide Tenant Advisory Board, hold tenant meetings at all 7 project sites, conduct a public hearing, do community outreach and approve the plan at the Authority March Board meeting. At all of these meetings, the issue of Tenant safety and security will be discussed and tenant, staff, Board and Community input solicited. The Authority staff will explain Neighborhood Watch, Block Watch and Street Patrol programs. Authority will seek to determine level of tenant interest in development of neighborhood watch programs in coordination with local police departments.

Regular monthly Fire and Safety Committee meetings are presently held at each project site. If tenants are interested in the development of neighborhood watch program, these committees will be used as the forum for organization. Other safety issues including lighting, building locking systems, emergency call systems and tenant screening policies will also be reviewed.

ANNUAL AGENCY PLAN 2001

RESIDENT ASSESSMENT ñ FOLLOW UP PLAN

- (1) **REQUIREMENT:** Under the safety section of the REAC Customer Service and Satisfaction Survey conducted in 2000, a score of 67 was assigned by HUD. This required that the Housing Authority prepare a follow-up plan and include it as an attachment to the Annual Agency Plan to be submitted in April, 2001.
- (2) **ANALYSIS:** Question 12 in the survey scored a 16.8% rating from tenants and has a .25 weight which was primary reason for scoring 67 total in this section. This question asked tenants if they were aware of any crime prevention programs available to residents (for example, Neighborhood Watch, Block Watch or Street Patrol)? Most of the Bradford County Housing Authority residents have never heard of these programs since there has been no need for them in this rural low crime area. In the same REAC survey 84.1%% of the residents said that they feel safe in their homes.
- (3) **REMEDIAL PLAN:** As part of the development of the 2001 Annual Agency Plan, the Authority will meet with the County wide Tenant Advisory Board, hold tenant meetings at all 7 project sites, conduct a public hearing, do community outreach and approve the plan at the Authority March Board meeting. At all of these meetings, the issue of Tenant safety and security will be discussed and tenant, staff, Board and Community input solicited. The Authority staff will explain Neighborhood Watch, Block Watch and Street Patrol programs. Authority will seek to determine level of tenant interest in development of neighborhood watch programs in coordination with local police departments.

Regular monthly Fire and Safety Committee meetings are presently held at each project site. If tenants are interested in the development of neighborhood watch program, these committees will be used as the forum for organization. Other safety issues including lighting, building locking systems, emergency call systems and tenant screening policies will also be reviewed.
